RED STOCKING REVUE

BARBEY'S FANCY

COLUMBIA RIVER CHINOOK

SUPREME SALMON

Barbey Packing Corporation was started on the Columbia River in 1914 and moved to it's present location in 1926. It has operated continuously since that time under family management. We at Barbey's are proud of the fact that we are the only major seafood cannery in Clatsop County that is locally owned and operated.

Barbey's fancy hand packed seafoods are always packed from fresh fish to insure the best flavor possible. The extra care and attention of experienced employees have made Barbey's Fancy Seafoods the choice of the most discriminating consumers. Try any of Barbey's products and see for yourself the difference that care makes.

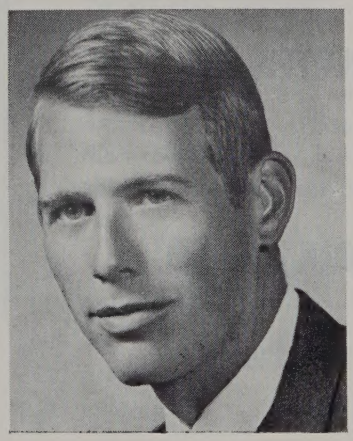
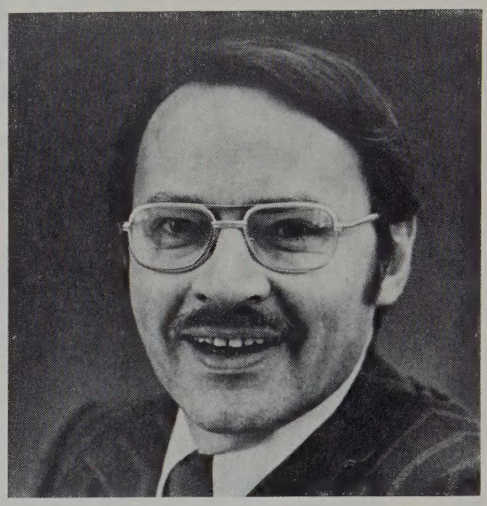
    Sandi Patrick, Co-Chm.
12. Properties — Ray Dreezen, Chm.



Four years ago the Rotary Show was revived in an effort to get the entire club active on one project. We feel this was accomplished plus the fact that it grew into a community project to build a covered grandstand at Gyro Field. With the success of this year's show, with company and individual support, we believe the grandstand will become a reality in 1974. Our many thanks for your long and continued support.

JOHN RICKMAN, President



Show Co-Chairman DARYL BIRNEY

BIRNEY COMMITTEES

1. Program ((Ad Sales) — Bob Lawlis, Chm.
2. Program (Layout) — Bon Budde, Chm.
3. Business Manager — John Sullivan, Chm.
4. Scenery — Vern Barth, Chm.
5. Lighting — Ralph Morrow, Chm.

   Mr. and Mrs. John Rickman, Chm.
9. Club Secretary — Herb Howell
10. Pre Show — Frank Russell, Chm.
11. Concessions — Danny Van Dusen

Members of Rotary Anns also welcome you to the Fourth Annual Red Stocking Follies.

We also look forward to participating with the Rotarians and contributing to their community project.

Set back and enjoy the fun! Afterwards, we know you'll join us in congratulating the Rotary Club on "another show well done."

SONIA PEDERSEN.

Red Stocking Revues Commenced in 1971

After a ten year lapse of Rotary Shows the program was started again with the most ambigious goal ever attempted, and that was the construction of a Grandstand at the High School athletic field. It provided for the raising of some $35,000 to $45,000 with shows directed by a professional organization, The Jerome H. Cargill Organization of New York City.

A complete change from the former "all-male" "black face" routine produced under local club member direction, to the professionally directed Musical and dancing using the Rotary Ann's and high school girls dance lines in addition to the Rotary members. Some additional local talent was also used. The new plan contemplated a concentrated three week practice period much different than the many months spent producing the former shows.

In 1971, under Rotary President Robert Lawlis, with local show co-chairmen Graham Barbey and Marsh Hoffman, and all Rotarians and Rotary Ann's taking part, the new show was presented. This year presented many problems, new to the members, learning new techniques in the show business, but it was very rewarding and resulted in raising $3600 for the new project.

Representing the production company was Director Max Shoaf and the Show was staged on April 16-17.

1972 SHOW

The 1972 production was given on April 21-22 under President Dan Clifford, and the Show Chairmen were Bob Chopping and John Hickman, ably assisted by all the Rotary members, Rotary Ann's and a chorus line from the Astoria High School girls. Director Victor Duntiere represented the Cargill organization in presenting the show under the title "Do Your Thing." Those in the cast found that with the previous year's experience under the professional directors made the three weeks rehearsals much easier and the performances more polished. The net income for the 1972 Show was about $3800, which was added to the 1971 proceeds and placed at interest locally.

1973 SHOW

The third production of the Red Stocking Revue on April 27-28 was under the Direction of Peter Thomas and found more local talent joining the Rotarians and Rotary Ann's and enjoying their participation. During the preparations for this show, Rotary (from other funds), installed in the High School Auditorium a complete speaker system, under the direction of Larry Snyder and Rueben Jensen, at a cost of $1200. The entire system was a gift to the High School.

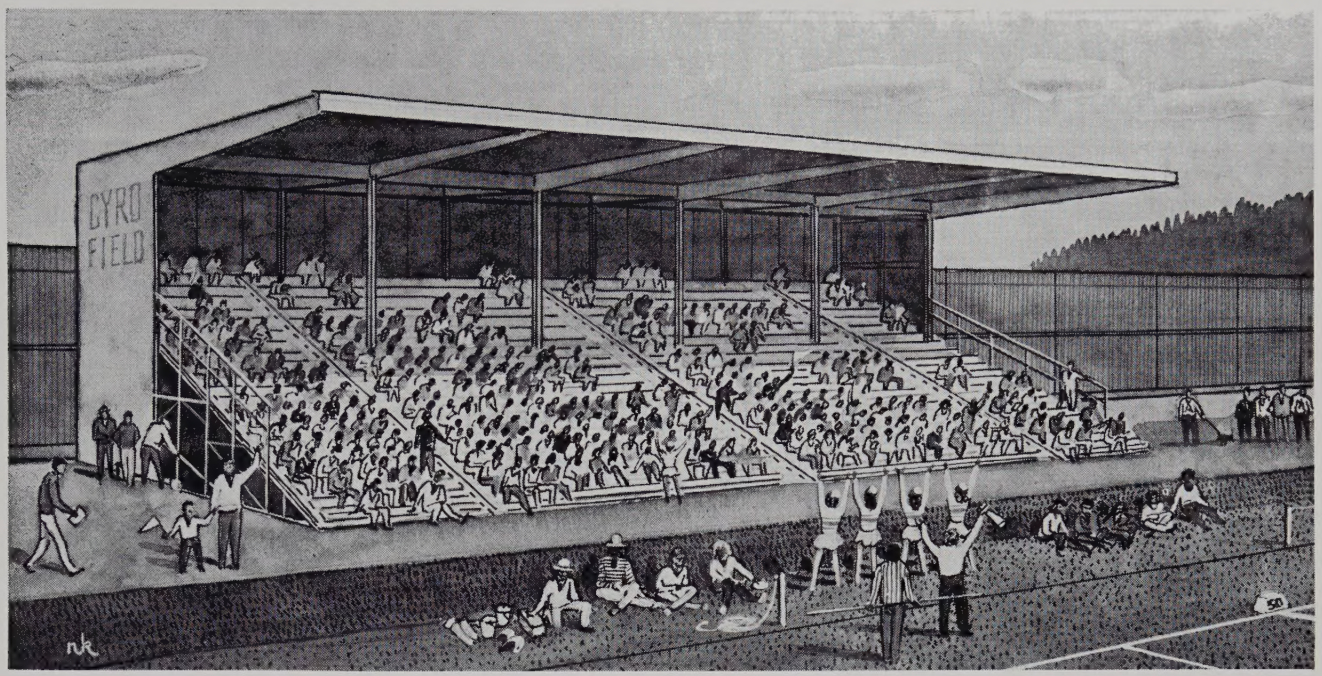
Rotary President Frank Russell appointed Joe Bakkensen and Ed Nelson, Jr., as Show Chairmen. Many out of town Rotarians were in attendance at the Friday evening show as a part of the entertainment of the Rotary District Conference that week-end in Seaside. That helped swell our receipts for the 1973 Show to $5200 and this brought our total together with interest to some $14,000. With a successful show in 1974 we will be approaching $19,000 to $20,000. A large part of our problem has been the increasing costs of construction during these years, which has resulted in a request for some financial assistance from the School Board as well as some requests for donations of building materials, and the possible sale of season tickets for a period of 5 years.

OTHER ACTIVITIES

These efforts to raise funds and complete our grandstand project are not the only activities of Rotary. Annually awards of scholarships have been made for attendance at 4-H camps and Boys and Girls State. Repeating an award made several years ago, in the Spring of 1973, we awarded a trip to Washington, D.C., to the "Presidential Classroom," to a Senior girl from the Knappa High School.

An unusual opportunity to purchase a set of the original Lewis and Clark Journals occurred in the fall of 1972 and Rotary (also from other funds) purchased these two books and a display case and presented them to the Astoria Library at a cost of $2600.

Under development in the spring of 1974 is a Scholarship at Clatsop Community College to be awarded to a worthy student and to cover full tuition for one year. This to be provided by using the interest only from a perpetual fund provided by Rotary and to be known as "Astoria Rotary Club Scholarship Fund." Details of the management of this fund are currently being drawn up. It will involve in excess of $3,000 which funds are now available and may later be added to.



This is the design of the Astoria Rotary Club's proposed new Grandstand for Gyro Field that will replace the old one torn down three years ago. Grandstand will have 1,750 seats. Sketch is by Rotarian Rolf Klep.

DO YOU KNOW HOW YOUR INVESTMENT IN YOUTH HAS PAID OFF AT TONGUE POINT

AN INVESTMENT THAT IS PAYING OFF

The Alumni Corpswomen of Tongue Point wants you to know what's happening to your interest and tax investment in them.

Did you know that since July 1, 1973 (8 months), 509 young women have been placed in jobs or are in higher education programs. That's out of a total of 724 young women entering the program during that time. That's 70%.

Remember, we didn't have much going for us when we came in. Thanks for your faith in us. We are now contributing ourselves in support and taxes for the new girls coming in. IT'S A GOOD INVESTMENT.

CONGRATULATIONS . . .

and a tip of our hat to the Astoria Rotary Club for producing such a great show. "Red Stocking Review" has done it again for 1974 -- pulled people together and come up with solid entertainment for a worthy cause. The community, the performers, everyone benefits from projects like this. We salute you. We're proud to be supporting your efforts.

Judging by the letters we've been getting, the 15-foot star of our new Bumble Bee TV commercials is quite a superstar.

We think he's a great symbol.

After all, Bumble Bee is bigger than ever. People keep coming back for Bumble Bee because they know our name means superior freshness and quality in tuna, salmon and other seafoods.

Is it any wonder then that in sales and popularity Bumble Bee is flying higher than ever? **Bumble Bee Seafoods**

Bumble Bee Seafoods, Astoria, Oregon. A Division of Castle & Cooke, Inc.
